Amendments to the Claims:

The Listing of claims will replace all prior versions, and listings of claims in the application:

Listing of Claims:

Claims 0008 (Canceled)

Claims 0009-0015 (New)

Claim 0009 (New)

A combined greeting card and reply post card, comprising three panels or pages wherein the first panel or page forms the front cover of a greeting card portion and the second panel or page forms the back panel or page of a greeting card portion and wherein the first and second panels or pages are connected to each other by a fold line along one of their edges and wherein the third panel or page which forms a reply post card portion is connected to an edge of the second panel by another fold line which is also a line of weakness.

Claim 0010 (New)

A combined greeting card and reply post card according to claim 1 which provides a method of sending and receiving a greeting card that will provide the recipient of the greeting card with a greeting card portion to celebrate a given occasion and also the means to send his or her details into a company promotion via a reply post card portion.

Claim 0011 (New)

A combined greeting card and reply post card according to claim 1 wherein the reply post card portion of the combination is pre-printed on the inside surface with the card producers return address and a space to affix postage clearly identifying the portion to be a reply post card and wherein the reply post card portion of the combination is pre-printed on the outside surface with "Name, Address, Postcode, and enough unused and clear space following these headings so that the recipient can write in his own personal details,

Claim 0012 (New)

A combined greeting card and reply post card according to claim 1 wherein the greeting card portion of the combination contains artwork and text to clearly identify it as the greeting card portion.

Claim 0013 (New)

A combined greeting card and reply post card according to claim 1 wherein there is one line of weakness between the greeting card portion and the reply post card portion and wherein to separate the combination along the said line of weakness would produce a two page greeting card and a reply post card.

Claim 0014 (New)

A combined greeting card and reply post card according to claim 1 wherein the separation of the greeting card portion from the reply post card portion along the line of weakness would leave the greeting card portion appearing as a normal two page greeting card.

Claim 0015 (New)

A combined greeting card and reply post card according to claim 1 wherein the third panel or page which is the reply post card portion of the combination may be folded over onto the second portion which is the back cover of the greeting card portion of the combination and wherein the first panel or page which is the front cover of the greeting card portion of the combination may then be folded over onto the third panel or page to place the combination in a closed position.
